Reporting Principles

The Report is prepared in line with the Companies Act, 2013 (and the Rules made thereunder), Indian Accounting Standards, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Secretarial Standards.

Forward-looking Statements

Certain statements in this Report relating to our business operations and prospects may be forward-looking statements. These statements can be identified by usage of words such as 'believes', 'estimates', 'anticipates', 'expects', 'intends', 'may', 'will', 'plans', 'outlook' and other words of similar meaning in connection with a discussion of future operating or financial performance.

In particular, our expectations could be affected by, among other things:

- *Uncertainties regarding the success of key products and commercial priorities;*
- *Uncertainties in the research and development of new healthcare products, including clinical trial results and additional analysis of existing clinical data;*
- *The potential that the strategic benefits, operational efficiencies or opportunities expected from the business transformation of our subsidiary or associated companies, including any proposed actions that may not be realized or may take longer to realize than expected;*
- *Our ability to obtain or maintain proprietary intellectual property protection, including the ultimate extent of the impact on Transgene's loss of patent protection and exclusivity on key products that commenced in prior years and is expected to continue this year;*
- *Our performance on environmental, social and regulatory governance issues;*
- *Our reliance on outsourcing key business functions to third parties;*
- *Our ability to attract, integrate and retain key personnel and qualified individuals;*
- *Uncertainties regarding actual or potential legal proceedings,*
- *Regulatory actions or delays or government regulation generally, including potential regulatory actions or delays with respect to the development of the products described in this Annual Report;*
- *The impact of pandemic diseases such as COVID-19 on enrollment in, initiation and completion of our pre-clinical and clinical trials in the future, and research and development timelines.*

Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this Annual Report as anticipated, believed, estimated or expected. We provide the information in this Annual Report as of the date of its filing. We do not intend, and do not assume any obligation, to update any information or forward-looking statements set out in this Annual Report as a result of new information, future events or otherwise.

Chairman's speech at the 32nd Annual Meeting of the shareholders - 30th September 2022

Good morning, ladies and gentlemen,

Thank you once again for joining me in the current AGM and I sincerely regret for conducting this year too in virtual mode for the third year in a row.

Ladies and gentlemen, shareholders, allow me in the context of our AGM today to look back at 2021.

Our Mission: We seek to develop innovative molecules and formulations that address unmet medical needs in service of patients and their families. In 2021, we have remained focused on our priorities while navigating the ongoing impact of the pandemic. Innovations at the core of our strategy. Despite the challenges arising from COVID-19, I am pleased to report that Transgene has maintained its momentum in advancing its continued development of oral and nasal delivery technology platform. We continued to invest on this technology in successfully undertaking various in-vivo studies on different molecules. We have developed formulations for Insulin to be delivered into systemic circulation for treating diabetes and another peptide delivered into intra-cerebral area for the treatment of cognitive disorders like Alzheimer's, Parkinson's, Senile Dementia etc.

Our dialogue for licensing and/or strategic business collaborations are pursued continuously with due consideration to the impact caused by the SEBI order on the company. As a business, we are compelled to devise a scheme to overcome the physical and psychological impact caused by SEBI's orders to advance our delivery technology towards commercialization through transfer of technology to another company by name M/s. NidFree Technologies Pvt Ltd. NidFree is a completely independent company that is to advance the technology further towards monetization by completing the required studies. We are pleased to note that NidFree has already initiated various programs in getting requisite approvals from Regulatory Authorities for undertaking studies on nasal Insulin in India. We will provide required transparency in our reporting, in line with this newly created structure.

We are also pleased to note that NidFree has moved on to utilize the same technology platform for delivering certain molecules into cerebral area used in the treatment of cognitive disorders such as Alzheimer's, Parkinson's disease, senile dementia and certain brain tumors etc by delivering the chosen molecules through nasal route. This, if successful, shall add another dimension to our technology platform.

Speaking about SEBI's orders, we are pained at the insinuations and unjust comments made in the said orders apart from penalties imposed based on such unjust findings that will add further agony and hurdles in our ongoing process to recover GDR funds. It is therefore, we are in consultations with our law firms for redressal of those unjust comments passed by SEBI through available channels.

As part of our sustainability agenda, we have actively set-in motion a set of actions to address succession and legacy issues.

As we look towards 2022-23, we are optimistic about the positive changes taking place and our business has proved to be resilient to challenges thrown from all around and we remain positive that we will continue to manage any new challenges in the months to come. In this context, our 2022-23 outlook is anticipating a sustained momentum.

We continue to boldly move in the direction of our dreams. We shall stand tall and show the world what we are made up of. When the world around us beats us down, we shall find a reason to get back up again. We SHALL NEVER give up on the success.

As I close, I would like to extend my thanks to all our stakeholders, shareholders and suppliers, who have supported the Transgene business over the last several years. Most importantly, I wish to thank the exceptional contributions of our employees, their belief in our company, their perseverance and commitment that allowed us to sustain against all challenges of uncertainty. Lastly, I thank you all Shareholders who believed in me and our company Transgene over the years with unstinted belief and confidence.

CDSL E-VOTING SYSTEM FOR E-VOTING AND JOINING VIRTUAL MEETINGS.

1. In view of the persisting fears of spreading COVID-19 infections, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide the General Circular No. 21/2021 dtd. 14th December, 2021 issued in respect to allowing Companies to hold AGM through video conferencing or other audio-visual means and, has further decided to allow the companies to organize AGM through VC or OAVM in the year 2022 on or before 31st December, 2022 in accordance with the requirements laid down in Para 3 & 4 of General Circular Nos. 20/2020 dated 05.05.2020, Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through video conferencing (VC) or other audio-visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.transgenebiotek.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also

disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's **General Circular No. 21/2021 dtd. 14th December, 2021** issued in respect to allowing Companies to hold AGM through video conferencing or other audio-visual means and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2022, or become due in the year 2022, to conduct their AGMs on or before 31.12.2022, and, has further decided to allow the companies to organize AGM through VC or OAVM in the year 2022 on or before 31st December, 2022 in accordance with the requirements laid down in Para 3 & 4 of General Circular Nos. 20/2020 dated 05.05.2020, Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on **Tuesday, September 27, 2022 at 09.00 hrs and ends on Thursday, September 29, 2022 at 17.00 hrs**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 23, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9,2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants.

Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

DR K KOTESWARA RAO
CHAIRMAN & MANAGING DIRECTOR

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

ITEM NO. 4

Re-appointment of Dr K. Koteswara Rao (DIN No: 02287235) as Chairman and Managing Director of the Company.

Dr K. Koteswara Rao (DIN No: 02287235) re-appointed as Chairman and Managing Director by the members at the last AGM, having now attained the age of 80 years has expressed his concerns and reservations in continuing as Managing Director of the company due to persistent and recurring major health problems. However, with due consideration to finding a suitable replacement proven to be a challenging task at this juncture with uncertainties from SEBI orders on the company that need to be addressed adequately, the Board of Directors requested Dr K. Koteswara Rao once again to continue as Managing Director at least till a suitable replacement is appointed to the post.

Therefore, continuation of employment of Dr. K. Koteswara Rao as Managing Director of the company requires the approval of members by way of a special resolution under Section 196(3) of the Companies Act, 2013, inter alia, which provides that no company shall continue the employment of a person who has attained the age of 71 years, as Managing Director, Whole time director or Manager unless it is approved by the members by passing a special resolution. Part 1 of Schedule V to the Act contains a similar relaxation.

Profit before Tax/Loss	(1040.28)	(1043.46)
Provision for Tax	-	-
Net Profit/Loss	(1040.28)	(1043.46)

OPERATIONS

The total turnover of the company for the year ended 31st March, 2022 amounted to Rs. 8.66Lakhs as against Rs.16.95 Lakhs in the previous year. The company incurred a net Loss of Rs.1040.28 Lakhs for the year as against a loss of Rs.1043.46 Lakhs in the previous year. As can be noticed, the management continued to revise books of accounts and has written off certain accounts wherever possible after following the standard accounting policies of India and in consultation with the auditors. This revision has resulted in decreased operating loss from the previous year.

AUDITORS' COMMENTS

The operations in Transgene Biotek HK Ltd, the subsidiary, have been shut down since financial year 2015-16 with no activities of any sort.

The consolidated financial statements were authorized for issue by the Company's Board of Directors at the board meeting held on 30th May, 2022.

Review and results of operations

The restrictions placed on the company by SEBI in its order dated 28th August 2019 has adversely impacted in raising funds required for advancing the ongoing projects.

Transgene has been developing novel oral and nasal formulations for the delivery of various protein and peptide-based biologicals through oral and intra-nasal routes. Because of uncertain hurdles in the path towards commercialization of these technologies arising out of SEBI Orders, Transgene plans to advance these technologies by strategically licensing these technologies to a company by name M/s NieldFree Technologies Pvt Ltd, a company owned by professionals with several years of experience in setting-up projects with large manufacturing infrastructure

for biologicals. Transgene owns a substantial equity in NiedlFree apart from various benefits accruing to Transgene. The board while approving the licensing agreement between Transgene and NiedlFree has been informed in explicit terms that Dr. K. Koteswara Rao, Managing Director of Transgene Biotek Ltd has a sizeable interest in NiedlFree Technologies Pvt Ltd.

The terms of the agreement along with financial implications within the Licensing agreement were placed before the Board for discussion and approved with an appropriate resolution being passed.

Subsequently, it was informed by the management of NiedlFree that necessary steps have been initiated to seek regulatory approvals for conducting pre-clinical studies on Nasal Delivery of Insulin (Nozulin). The study involves large number of diverse animals including Rats, Rabbits, Mini Pigs, Dogs etc with a view to get DCGI approvals for advancing towards human clinical trials rapidly.

PerORAL Bio Pvt Ltd

With the ongoing restrictions resulting from SEBI order on the parent company, it was felt by the management that it would be better to transfer the Oral/Nasal delivery technology platform on to a new entity that would help in raising required funds and advance towards commercialization without loss to the inherent value of the technology. Accordingly, as mentioned above that technology has been approved by the Board for its transfer to NiedlFree Technologies Pvt Ltd.

SEBI Order and recovery of lost GDR funds

Efforts are still continuing still, though slowed to some extent due to impact from Covid, for the recovery of lost GDR funds through available legal course.

SEBI Adjudication hearing

During the year gone by we are in regular communication with the office of the Adjudication Officer for physical inspection of the documents which are relevant in support of our claims that neither the company nor other directors were the beneficiaries of the lost GDR funds and none were ever involved in the fraud committed on the company.

SBIRI / BIRAC

There has been an email Notice from BIRAC on 14th December 2021 intimating that an amount of Rs. 5,00,73,313.42/- is outstanding against the Company. We are taking necessary steps to resolve this matter by taking appropriate steps.

DIVIDEND

Your Directors are unable to recommend any dividend since the company has not made any profits.

SUCCESSION, STRATEGIC FOCUS AND FUTURE ORIENTATION:

Due to paucity of funds and due to its inability in raising required funds as a result of impact from SEBI order, and with strategic transfer of delivery technology to another entity, NiedlFree Technologies Pvt Ltd, the management expects rapid progress in commercialization of this technology not only in the field of diabetes but in several other clinical areas too. However, we expect the licensing activities of nasal delivery of Insulin by NiedlFree to start soon with resultant benefits accruing to Transgene.

SUCCESSION PLANNING

It is pointed out that Dr. Koteswara Rao will have served as a Director and Managing Director from the very inception of the company for nearly 31 years by September 2022. Ideally, such directors would step down, in line with Indian corporate governance best practice. Last year, the Board asked Dr Rao to seek re-election at the AGM to lead the company in the face of challenging circumstances. Again this year, the Board believes it would be in the best interests of shareholders for him to continue serving as Chairman and Managing Director at least till such time the company tides over the challenges and to facilitate a smooth succession planning and the transition to a new Chair.

Succession planning for the role of Managing Director has continued to be a focus of the Nomination and Governance Committee's work during 2021, with a search that is proceeding well.

While much can be achieved by working and meeting virtually, there is also value in being able to meet in person. We hope to hold next year's AGM in person and looking forward to meeting as many of you there as possible in person.

Subsidiary Company - Transgene Biotek HK Limited

Till the matter of completion of investigation that includes the role played by the operators of that TBL HK account in unauthorized and illegal transfer of funds, no decision is to be taken about its continuation.

However, the focus has not been lost regarding the irregularities committed through the account at Standard Chartered Bank, Singapore and Hong Kong and through other banks too. Likewise, the efforts are continuing for the recovery of lost GDR funds transferred illegally from its account at Investec Bank. A Statement pursuant to Section 129, read with Rule 5 of the Companies (Accounts) Rules, 2014 in Form AOC – 1 is attached as “**Annexure –A**”

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

We are basically a bio-pharmaceutical company with a focus on three components – Research & Development of innovative biologic molecules, process to stabilize and develop innovative formulations for delivery through either oral or nasal route thus avoiding the injectable route of administration and finally initiate relevant studies for regulatory approvals for the purposes of strategic monetization of the chosen molecule.

However, in order to overcome various challenges, temporary or otherwise, prevailing in the path of progress on the above three components, well informed strategies need to be put in place to realize the ultimate goal of accruing the benefits from the chosen path, one of those is the transfer of oral delivery technology to NiedlFree Technologies.

CORPORATE GOVERNANCE AND SHAREHOLDERS INFORMATION

The Directors are collectively responsible for the success of the company. The Board maintains and periodically reviews a list of matters that can only be approved by the Board. Matters that have not been expressly reserved to the Board in this way are delegated to the Managing Director or one of the Board's Committees. The Board's responsibilities include setting our strategy and policies, overseeing risk and corporate governance, and monitoring progress towards meeting our objectives and annual plans. It is accountable to our shareholders for the proper conduct of the business and our long-term success, and seeks to represent the interests of all stakeholders.

The Company has a strong legacy of fair, transparent and ethical governance practices and it believes that good Corporate Governance is essential for achieving long-term corporate goals and to enhance stakeholders' value.

DEMATERIALISATION OF SHARES

86.34% of the company's paid up Equity Share Capital is in dematerialized form as on 31st March, 2022 and balance 13.66% is in physical form. The Company's Registrars are M/s. Big Share Services Pvt Ltd, 306, Right Wing, 3rd Floor, Amrutha Ville, Opp. Yashoda Hospital, Raj Bhavan Rd, Somajiguda, Hyderabad, Telangana-500 082.

NUMBER OF BOARD MEETINGS HELD

The Board of Directors duly met 4(Four) times during the financial year from 1stApril, 2021 to 31stMarch 2022 the details of which are furnished in the report on Corporate Governance.

BOARD EVALUATION

The evaluation of all the Directors including the Chairman, the Independent Directors and the Managing Director, Board committees and the Board as a whole was carried out based on the criteria and framework approved by the Nomination and Remuneration Committee pursuant to the provisions of the Act and the corporate governance requirements as prescribed by SEBI under Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015).

The Board of Directors has carried out an annual evaluation of its own performance, Board committees and individual directors

The performance of the Board was evaluated by the Board after seeking inputs from all the directors on the basis of the criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of the criteria such as the composition of committees, effectiveness of committee meetings, etc.

The Board and the Nomination and Remuneration Committee ("NRC") reviewed the performance of the individual directors on the basis of the criteria such as the contribution of the individual director to the Board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the Chairman was also evaluated on the key aspects of his role.

In a separate meeting of independent Directors, performance of the board as a whole and performance of the Chairman was evaluated. The same was discussed in the board meeting that followed the meeting of the independent Directors, at which the performance of the Board, its committees and individual directors was also discussed.

INDEPENDENT DIRECTORS AND DECLARATION

Our Independent Directors meet the baseline definition of Independent Directors under the Act and the Listing Regulations. At the beginning of each financial year, the Independent Directors submit a self-declaration confirming their independence and compliance under section 149(6), Schedule IV of the Act and Regulation 16(1)(b) of the Listing Regulations, 2015 [Listing regulations]. All such declarations are placed before the Board for information and noting.

Based on the declarations received, the Board also confirms that the Independent Directors fulfil the independence criteria under the Listing Regulations and are independent of the management.

Generally, the Independent Directors meet before each board meeting. During FY 2021-22 the independent Directors met Four (4) times i.e. on 29th June 2021, 14th August 2021, 12th November 2021 and 14th February 2022. The Independent Directors inter alia discuss matters arising out of Board and Board Committee agendas, company performance and various other board-related matters, identify areas where they need clarity or information from management and to review the performance of Independent Directors, the Chairman and the Board as a whole and assess the effectiveness and promptness of the information flow.

MANAGEMENT DISCUSSION AND ANALYSIS

CAUTION

Statements in the Management Discussion and Analysis describing the Company's and its subsidiaries' objectives, projections, estimates and expectations may be 'forward-looking statements' within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include among others, climatic conditions, economic conditions affecting demand-supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

(a) Oral and Nasal drug delivery technologies and opportunities

Oral or Nasal drug administration has been used as an alternative route for the systemic availability of drugs restricted to intravenous administration.

Oral drug delivery is the most preferred route of drug delivery of pharmaceuticals encompassing number of diseases which have been successfully treated. Owing to its potential advantages including well-established delivery system, patient friendly, convenient, comfortable, and non-invasiveness, it has been the most favored drug delivery system in pharmaceutical field. Various factors govern oral drug absorption including drug solubility, mucosal permeability, and stability in the gastrointestinal tract environment. Attempts to overcome these factors have focused on understanding the physicochemical, biochemical, metabolic and biological barriers which limit the overall drug bioavailability. Different pharmaceutical technologies and drug delivery systems including nanocarriers, micelles, cyclodextrins and lipid-based carriers have been explored to enhance oral drug absorption.

Likewise, Nasal drug delivery technology has emerged as a viable and effective alternative to injectable or oral route due to the large surface area, porous endothelial membrane, high total blood flow, the avoidance of first-pass metabolism, and ready accessibility. The nasal administration of drugs, including numerous compound, peptide and protein drugs, for systemic medication has been widely investigated in recent years. Drugs are cleared rapidly from the nasal cavity after intranasal administration, resulting in rapid systemic drug absorption.

In both oral and nasal drug delivery systems of drug delivery, bioavailability issues are one of the major challenges for formulation research and development. There are many formulation strategies adopted to improve the bioavailability of many poorly water-soluble and low-permeable drugs.

In view of the large and potential opportunities for these technologies, the management has evolved a strategy to advance the oral delivery technology for its monetization overcoming several internal and external challenges.

Internal Auditing and Controls

The internal control systems of the Company are adequate and commensurate with the size of operations. These controls ensure that transactions are authorized, recorded and reported on time. They ensure that assets are safe guarded and protected against loss or unauthorized disposal.

The Internal Audit department carried out audits in different areas of the Company's operations. Post-audit reviews were carried out to ensure that audit recommendations were implemented.

The Audit Committee of the Board of Directors reviewed the audit program and findings of the Internal Audit department.

Outlook

The outlook for Transgene is highly promising considering the emerging prospects for TrabiORAL in its wide and diverse application covering various clinical segments such as Diabetes, Cancer and Vaccine areas.

CORPORATE GOVERNANCE REPORT

1. COMPANY’S PHILOSOPHY ON CORPORATE GOVERNANCE

Transgene’s governance framework is driven by the objective of enhancing long term stakeholder value without compromising on ethical standards and corporate social responsibilities. Efficient corporate governance requires a clear understanding of the respective roles of the Board of Directors (“Board”) and of senior management and their relationships with others in the Corporate Governance Report.

Corporate governance philosophy of Transgene represents core values by which policies and practices of the organization are guided.

Corporate governance at Transgene is implemented through robust governance processes, internal control systems and processes, and strong audit mechanisms.

In this report, we have provided details on how the corporate governance principles are put in to practice at Transgene.

The corporate governance philosophy at Transgene stems from the set of principles and framework embedded in its values since the year 1992 adhering to the best practices possible.

Our ethical framework focuses on long-term shareholder value creation through responsible decision making. Transgene’s corporate governance framework is founded on the following pillars:

Accountability

For us, accountability is about holding ourselves firmly responsible for what we believe in and for delivering what we have promised. We ensure this by promoting a mind-set of ownership throughout the organization. By means of openness and transparency, we consider ourselves accountable to our stakeholders, our employees, shareholders, vendors and, government agencies.

Competent leadership and management

We believe that a dynamic and diverse board and we endeavor to maintain a board composition that brings healthy balance of skills, knowledge and, independence.

Sustainability

At Transgene, sustainability is about effectively managing the day to day and long term challenges covering the financial, social and technical aspects, whilst focusing on business continuity. We are committed to pursuing our vision and reaching the set goals.

Compliance and risk management

We firmly believe in full adherence to all regulatory and statutory requirements in letter and spirit. Our operating environment is characterized by several risks, which can potentially impact our current and future goals. We believe that effective compliance and risk management activities will drive the sustainability of corporate performance. Our philosophy is imbued on strict adherence to the governance mechanism laid down in the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”).

5. Statutory registers as per Companies act, 2013 are not provided for review.
6. Brief on SEBI and GDR issue:
 - Securities and Exchange Board of India (SEBI) had conducted preliminary inquiry on receiving certain complaints on the matter of GDRs issued by the Company and its utilization thereof, basically on the angle of protection of Investors' interest. SEBI prima facie conducted that the GDR proceeds have been transferred by the Company, directly or indirectly, through foreign subsidiary for undisclosed purposes under the garb of consideration for technology transfer and consequently passed an interim order inter alia, restraining the Company from issuing any securities. The Company has appealed against the said order. The findings of the SEBI as per their order on the utilization/transfer of GDR proceeds for undisclosed purposes point out towards violations of the provisions of the provisions of the Foreign Exchange Management Act as well as GDR approval conditions.
 - On August 28th 2019 SEBI has issued its final order against Ref No WTM/AB/EFD- 1/DRA-4/18/2019-20 confirming its ban on the company to access Securities Market in what so ever manner. Also it directed the company to recover GDR proceeds through its ongoing various measures within one year from the date of its order.
 - Representation was given by Dr K Koteswar Rao to SEBI on 22nd Aug 2020 requesting therein extension of time period to bring back the money, as directed in para 49(a) of the order, because the recovery of GDR funds have been completely blocked due to global lockdown as a result of global COVID-19 pandemic.
 - SEBI considered the same representation and issued a revised order Further on August 31st 2020 revised order no WTM/AB/EFD-1/DRA-4/08/2020-21 dated 31st Aug 2020 directing the company to recover GDR proceeds through its ongoing various measures within one year from the date of its order.

We further report that during the audit period, there were no specific events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc., referred to the above.

INDEPENDENT AUDITOR'S REPORT STANDALONE

TO
THE MEMBERS,

TRANSGENE BIOTEK LIMITED

Report on the Audit of Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying Standalone Ind AS financial statements of M/s. Transgene Biotek Limited ("The Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss, including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year ended and a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31st March, 2022 and its financial performance including other comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the audit of the Standalone financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the Standalone financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

The Key Audit Matters	How our Audit addressed the key audit matter
SEBI ENQUIRY & ITS STATUS	
<p>Securities and Exchange Board of India (SEBI) had conducted preliminary inquiry on receiving certain complaints on the matter of GDRs issued by the Company and its utilization thereof, basically on the angle of protection of Investors' interest. SEBI prima facie conducted that the GDR proceeds have been transferred by the Company, directly or indirectly, through foreign subsidiary for undisclosed purposes under the garb of consideration for technology transfer and consequently passed an interim order inter alia, restraining the Company from issuing any securities. The Company has appealed against the said order.</p> <p>The findings of the SEBI as per their order on the utilization/transfer of GDR proceeds for undisclosed purposes point out towards violations of the provisions of the provisions of the Foreign Exchange Management Act as well as GDR approval conditions, the impact of which we are unable to quantify at this stage.</p>	<p>Principal Audit procedures performed:</p> <ul style="list-style-type: none"> ➤ The documents made available to us, the management is seriously pursuing to recover GDR money. In this process they have appointed Lawyers internationally wherever the alleged parties involved in GDR scam are present. The case is forwarding in good speed. ➤ Further on August 28th 2019 SEBI has issued its final order against Ref No WTM/AB/EFD-1/DRA-4/18/2019-20 confirming its ban on the company to access Securities Market in what so ever manner. Also it directed the company to recover GDR proceeds through its ongoing various measures within one year from the date of its order. ➤ A Representation was given by Dr K Koteswar Rao to SEBI on 22nd Aug 2020 requesting therein extension of time period to bring back the money, as directed in para 49(a) of the order, because the recovery of GDR funds have been completely blocked due to global lockdown as a result of global COVID-19 pandemic. ➤ SEBI considered the same representation and issued a revised order Further on August 31st 2020 revised order no WTM/AB/EFD-1/DRA-4/08/2020-21 dated 31st Aug 2020 directing the company to recover GDR proceeds through its ongoing various measures within one year from the date of its order. ➤ The Board has been informed that the required amount of UKP 20,000 is yet to be transferred to Candey, law firm at London due to paucity of funds. Once the amount is transferred to Candey and through Candey to SW at Zurich, another letter from a peer reviewed Chartered Accountant shall be sent to SEBI explaining ongoing efforts taken by Transgene and Dr Rao for recovering lost GDR funds. ➤ Notices to appear on May 10, 2022 through video in front of the Adjudication officer have been received by the company and its past directors connected with the GDR issue. Response letter has been sent, a copy of which is presented to the Board to keep it on record. Outcome from the adjudication proceedings shall be brought to the attention of the Board as and when it progresses. ➤ In the meantime, our petition to set aside SEBI Adjudication proceedings is still pending at the Hon'ble High Court of Telangana. ➤ All the compliances and instructions given by SEBI are being complied with like submission of certificates by PEER REVIEWED CA etc as and when asked for by the company.
GDR Issue:	
<p>There is an outstanding balance of Rs.2302.00 lakhs which pertains to advance given to a party out of the proceeds of GDR. The</p>	<ul style="list-style-type: none"> ➤ The company has been trying to recover this amount along with GDR proceeds from various parties as discussed above.

<p>contention of the management is that the payments were made without Company's authorization or knowledge, the same was submitted to SEBI during their investigations. However, the Management as a prudent measure, made full provision for the amount, in the Books of Account considering the facts.</p>	<ul style="list-style-type: none"> ➤ In our Audit procedure, we have verified the documents as relating the case and its advancement and assessed management's claim on the same. ➤ However we are unable to opine whether this amount is recoverable or not as we are unable to obtain confirmation from the concerned party.
<p>INVESTMENTS:</p>	
<p>Under the head Investment, an amount of Rs. 9220.10 Lakhs is made in Wholly owned subsidiary company viz. Transgene Biotek HK Limited.</p> <p>As the subsidiary is not in operations, the books of accounts have not been audited since many years along with FY 2021-22.</p> <p>As this amount may not be recoverable, as a prudent measure, management made full provision in the books of account considering the above development.</p> <p>Under the head investments, an amount of Rs. 0.99 Lakhs is made in Wholly owned subsidiary company PerOral Bio Private Limited which was incorporated on 23.12.2020.</p>	<ul style="list-style-type: none"> ➤ In the absence of alternative methodologies to independently evaluate the same, we are unable to express an opinion whether the said sum as reflected under the above head is recoverable at the value at which it is stated. ➤ There are no much significant transactions incurred in this subsidiary company between the date of incorporation to financial year ending.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Management Discussion and Analysis, Board's Report including annexures thereto, Business Responsibility Report, Governance and shareholder's information but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditors as furnished to us, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also include maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error,

In preparing the Standalone financial statements, management is responsible for assessing the company ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Financial statements

Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the Magnitude of misstatements in the standalone financial statements, that individually or in aggregate, makes it probable that the economic decisions of a reasonably Knowledgeable user of the financial statements may be influenced, We consider quantitative materiality and qualitative matters in (i) planning the scope of our audit work and in evaluating the result of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

As required by Section 143(3) of the Act, we report to the extent applicable, that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- a. In our opinion proper books of accounts as required by law have been kept by the company so far as appears from our examination of those books.
- b. The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained.
- c. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- d. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- e. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.

- f. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended:
- a. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements
 - II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - III. There has been no delay in transferring amounts, required to be transferred to the investor Education and Protection fund by the company.

As required by the companies (Auditor's Report) Order, 2016("the order"), issued by the central Government in terms of section 143 (11) of the Act, we give in "Annexure-B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. TRANSGENE BIOTEK LIMITED as on March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE - B TO THE AUDITORS' REPORT

Annexure referred to in paragraph 3 and 4 of the Independent Auditor's Report of even date of TRANSGENE BIOTEK LIMITED, Hyderabad on the Standalone Financial Statements for year ended March 31, 2022:

- 1) In terms of the information and explanations sought by us and given by the company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state the following:
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets. In case of Technology item, we have been informed that certain balancing components are yet to be received without which the technology is incomplete for the full effective intended usage. Subject to this, the other fixed assets have been physically verified by the management and this revealed no material discrepancies.
 - b. All the assets have been physically verified by the management during the year and there is a regular program of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - c. According to information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds/lease deeds of immovable properties included in Property, Plant and Equipment are held in the name of the Company.
- 2) **Inventory:**
 - a. The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
 - b. In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - c. In our opinion and according to the information and explanations given to us, the company is maintaining proper records of inventory. No material discrepancies were noticed on verification of the physical stocks with the records.
- 3) As informed to us, the company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act. Thus clause (iii) of Companies (Auditor's Report) Order, 2016 is not applicable.
- 4) As informed to us, the Company has not granted any loans or made any investments, or provided any guarantees or security to the parties covered under section 185 and 186 of the Act. Therefore, clause (iv) of Companies (Auditor's Report) Order, 2016 is not applicable.

The effective interest rate is the rate that discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of the financial asset or financial liability. The interest unwinding is charged through profit and loss in subsequent period.

Notes to the Standalone Financial Statements for the Year ended 31st March, 2022.

1. Corporate information:

M/s.Transgene Biotek Limited is a Public Limited Company ("The Company"). The Company is located in 69 & 70, Anrich Industrial Area, Bollaram, Sangareddy District, India and was incorporated on 1st March 1990 under the provisions of the Companies Act, 2013. The Company is in the business of Research & Development.

2. Significant accounting policies

Statement of Compliance

These financial statements are separate financial statements of the Company (also called standalone financial statements). The Company has prepared financial statements for the year ended March 31, 2022 in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) together with the comparative period data as at and for the year ended March 31, 2022.

Basis of preparation:

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- i. Certain Non-Current & Current financial liabilities measured at amortized cost,

The Company's Financial Statements are presented in Indian Rupees (Rs.), which is also its functional currency.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for measurements that have some similarities to fairvalue but are not fair value, such as net realisable value in Ind AS 2.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The Company has consistently applied the following accounting policies to all periods presented in these financial statements.

a. Current V/s. non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ noncurrent classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Foreign currencies

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

c. Segment Reporting

The Company is currently operating only in one segment of Bulk Drugs, Segment Wise Reporting is not applicable as per IND AS 108.

d. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Rendering of services

Revenue for the company is in the form of Research and Development services to external agencies which is recognised on formal acceptance by the agency which is in consistent with the abovementioned principle of revenue recognition.

e. Government grants

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

f. Property, plant and equipment

Under the previous GAAP (Indian GAAP), Freehold land and buildings (property), other than investment property, were carried in the balance sheet on the basis of carrying value as per previous GAAP as on date of balance sheet. The Company has elected to regard those values of property as deemed cost.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

- Building 60 years
- Temporary Building 3 years
- Computers 3 years
- Plant and equipment 15 years

- Electrical Equipments 10 years
- Furniture 8 years
- Office Equipment 5 years
- Vehicles 8 years
- Lab equipment 10 years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

g. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as finite i.e., for a period of 10 years.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

h. Research and Development Expenditure

Research and Development Expenditure Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

i. Finance costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are expensed in the period in which they occur.

j. Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

k. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand and other Balances with Banks in Current Accounts that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

l. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated. Bank overdrafts are classified as part of cash and cash equivalent, as they form an integral part of an entity's cash management.

m. Tax Expenses

In view of the current year loss and the losses accumulated in the previous years no liability on income tax is expected. As there is no certainty in utilizing the deferred tax asset, hence, the deferred tax asset has not been recognized in the books of accounts.

n. Employee benefits

i. Short-term employee benefit obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Post-employment benefits

Defined Contribution plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plan

The Company operates a defined benefit gratuity plan and Leave Encashment in India for which provision has been for the year ended 31st March, 2021. The Company is not in practice of providing any other Defined Benefit Plan to the employees for the year ended 31st March, 2022.

o. Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown inequity as a deduction, net of tax, from the proceeds.

p. Earnings per share

i. Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of Equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

ii. Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

q. Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The company has made 100% provision for the investment made in the Transgene BiotekHK Limited (Subsidiary) for Rs. 92,20,09,728/-. Further, 100% provision is made against payment made to M/s. Symetric Sciences Inc utilized out of GDR proceeds. This is without prejudice to the company's claim in this regard.

r. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the financial asset.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? And either
 - the Company has transferred substantially all the risks and rewards of the asset, or
 - the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets and financial liabilities. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

27. Contingent Liabilities:

- a. Contingent liabilities are not provided for in respect of

Particulars	2021-22	2020-21
(i) Customs duty demands disputed by the company	59,37,000	59,37,000
(ii) Claims against the company not acknowledged as debts	40,00,000	40,00,000

- a. Reference is made about the long standing case at CESTAT, Chennai and the Honourable Member Ms.SulekhaBeevi C.S passed an order on 25th May 2017 stating that "the matter is stayed by the Hon'ble High Court of Madras. Both sides have not been able to submit when the matters are likely to be disposed by the Hon'ble High Court. Viewed in this light, we are of the considered opinion that it would be appropriate and prudent to close the file for the purpose of statistics. Both sides are at liberty to file application before the Tribunal to reopen the matter as and when the case is disposed by the Hon'ble High Court or in the case of

change of circumstances." In view of the above order, no provision has been made in the current balance sheet but the management shall keep a cautious eye on the potential developments, if any and will act as per the requirements.

- b. During the year 2014-15 one of the employees of the Company sustained severe burns in a fire incident in the Company. The Company helped him financially for hospitalization and treatment after which he was discharged from the hospital. However, after the discharge, for some unknown reasons he contracted infection and died while being treated for that. His family approached Labour Court claiming an unspecified amount for his death from the Company. The management has been defending the claim hence, no amount is provided for in books of account for the same as the Company is not sure of the liability.

- a. During the year 2016-17 the Company had received notice u/s 263 from the Principal Commissioner of the Income Tax for the Assessment year 2012-13 for which the company has filed its arguments. The case has been set aside by the Commissioner and a fresh notice has been served by the department on this regard for which an appeal filed by the company at Income Tax Appellate Tribunal relating to a claim for a tax amount of Rs.5,97,00,943/- towards assessment year 2012-13 raised in 2014-15 wherein it was shown Forex gain being brought erroneously under income and profit, an order was passed on 24th August 2021 giving relief from the said IT demand for the AY 2012-13.

- c. The Department of Biotechnology has sanctioned a loan amount of Rs.4.07 Crores under Small Business Innovative Research Initiative (SBIRI) scheme currently called as BIRAC for the novel technology Upgradation for Orlistat production, for which a charge against movable and immovable assets acquired from utilization of the said loan amount has been created. An amount of Rs.30,06,135/- is demanded by SIBRI towards interest for which a provision has been made. However, the company has made a settlement offer to BIRAC. On a condition that such offer upon acceptance a offer of Rs. 20 Lakhs made, which was encashed during the financial year. However company is yet to receive any written acceptance towards their proposal.

34. Standards issued and effective from 01st April, 2018

IND AS 115, Revenue from contracts with customers

In March 2018, the Ministry of Corporate Affairs has notified Ind AS 115, 'Revenue from Contracts with Customers', which effective for accounting is periods beginning on or after 1 April 2018. This comprehensive new standard will supersede existing revenue recognition guidance, and requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element

arrangements Ind AS 115 is effective for annual reporting periods beginning on or after April 1, 2018. The Company intends to adopt Ind AS 115 effective April 1, 2018, using the modified retrospective method. The adoption of Ind AS 115 is not expected to have a significant impact on the Company's recognition of revenues.

35. Other Amendments to Indian Accounting Standards:

The Ministry of Corporate Affairs (MCA), on 28 March 2018, issued certain amendments to Ind AS. The amendments relate to the following standards:

Ind AS 21, The Effects of Changes in Foreign Exchange Rates - The amendment lays down the principle regarding advance payment or receipt of consideration denominated or priced in foreign currency and recognition of non-monetary prepayment asset or deferred income liability.

Ind AS 12, Income Taxes - The amendment explains that determining temporary differences and estimating probable future taxable profit against which deductible temporary differences are assessed for utilization are two separate steps and the carrying amount of an asset is relevant only to determining temporary differences.

Ind AS 28, Investments in Associates and Joint Ventures - The amendment clarifies when a venture capital, mutual fund, unit trust or similar entities elect to initially recognize the investments in associates and joint ventures.

Ind AS 112, Disclosure of Interests in Other Entities - The amendment clarifies that disclosure requirements for interests in other entities also apply to interests that are classified as Held for sale or discontinued operations in accordance with Ind AS 105.

Ind AS 40, Investment Property - The amendment clarifies when a property should be transferred to / from investment property. The amendments are effective 1 April 2018. The Company believes that the aforementioned amendments will not materially impact the financial position, performance or the cash flows of the Company

36. Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

The areas involving critical estimates or judgements are:

- Estimated useful life of intangible asset.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

37. Financial Instruments

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (Unobservable inputs).

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS,
TRANSGENE BIOTEK LIMITED

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **M/s. Transgene Biotek Limited** (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as the "Group"). which comprise the consolidated balance sheet as at March 31, 2022, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information prepared based on the relevant records (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended Ind AS and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2022 the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Key Audit Matters	How our Audit addressed the key audit matter
SEBI ENQUIRY & ITS STATUS	
<p>Securities and Exchange Board of India (SEBI) had conducted preliminary inquiry on receiving certain complaints on the matter of GDRs issued by the Company and its utilization thereof, basically on the angle of protection of Investors' interest. SEBI prima facie conducted that the GDR proceeds have been transferred by the Company, directly or indirectly, through foreign subsidiary for undisclosed purposes under the garb of consideration for technology transfer and consequently passed an interim order inter alia, retraining the Company from issuing any securities. The Company has appealed against the said order.</p> <p>The findings of the SEBI as per their order on the utilization/transfer of GDR proceeds for undisclosed purposes point out towards violations of the provisions of the provisions of the Foreign Exchange Management Act as well as GDR approval conditions, the impact of which we are unable to quantify at this stage.</p>	<p>Principal Audit procedures performed:</p> <ul style="list-style-type: none"> ➤ The documents made available to us, the management is seriously pursuing to recover GDR money. In this process they have appointed Lawyers internationally wherever the alleged parties involved in GDR scam are present. The case is forwarding in good speed. ➤ Further on August 28th 2019 SEBI has issued its final order against Ref No WTM/AB/EFD-1/DRA-4/18/2019-20 confirming its ban on the company to access Securities Market in what so ever manner. Also it directed the company to recover GDR proceeds through its ongoing various measures within one year from the date of its order. ➤ A Representation was given by Dr K Koteswar Rao to SEBI on 22nd Aug 2020 requesting therein extension of time period to bring back the money, as directed in para 49(a) of the order, because the recovery of GDR funds have been completely blocked due to global lockdown as a result of global COVID-19 pandemic. ➤ SEBI considered the same representation and issued a revised order Further on August 31st 2020 revised order no WTM/AB/EFD-1/DRA-4/08/2020-21 dated 31st Aug 2020 directing the company to recover GDR proceeds through its ongoing various measures within one year from the date of its order. ➤ The Board has been informed that the required amount of UKP 20,000 is yet to be transferred to Candey, law firm at London due to paucity of funds. Once the amount is transferred to Candey and through Candey to SW at Zurich, another letter from a peer reviewed Chartered Accountant shall be sent to SEBI explaining ongoing efforts taken by Transgene and Dr Rao for recovering lost GDR funds. ➤ Notices to appear on May 10, 2022 through video in front of the Adjudication officer have been received by the company and its past directors connected with the GDR issue. Response letter has been sent, a copy of which is presented to the

	<p>Board to keep it on record. Outcome from the adjudication proceedings shall be brought to the attention of the Board as and when it progresses.</p> <ul style="list-style-type: none"> ➤ In the meantime, our petition to set aside SEBI Adjudication proceedings is still pending at the Hon'ble High Court of Telangana. ➤ All the compliances and instructions given by SEBI are being complied with like submission of certificates by PEER REVEIWED CA etc as and when asked for by the company.
GDR Issue:	
<p>There is an outstanding balance of Rs.2302.00 lakhs which pertains to advance given to a party out of the proceeds of GDR. The contention of the management is that the payments were made without Company's authorization or knowledge, the same was submitted to SEBI during their investigations. However, the Management as a prudent measure, made full provision for the amount, in the Books of Account considering the facts.</p>	<ul style="list-style-type: none"> ➤ The company has been trying to recover this amount along with GDR proceeds from various parties as discussed above. ➤ In our Audit procedure, we have verified the documents as relating the case and its advancement and assessed management's claim on the same. ➤ However we are unable to opine whether this amount is recoverable or not as we are unable to obtain confirmation from the concerned party.
INVESTMENTS:	
<p>Under the head Investment, an amount of Rs. 9220.10 Lakhs is made in Wholly owned subsidiary company viz. Transgene Biotek HK Limited.</p> <p>As the subsidiary is not in operations, the books of accounts have not been audited since many years along with FY 2021-22.</p> <p>As this amount may not be recoverable, as a prudent measure, management made full provision in the books of account considering the above development.</p> <p>Under the head investments, an amount of Rs. 0.99 Lakhs is made in Wholly owned subsidiary company PerOral Bio Private Limited which was incorporated on 23.12.2020.</p>	<ul style="list-style-type: none"> ➤ In the absence of alternative methodologies to independently evaluate the same, we are unable to express an opinion whether the said sum as reflected under the above head is recoverable at the value at which it is stated. ➤ There are no much significant transactions incurred in this subsidiary company between the date of incorporation ti financial year ending.

Information Other than the Consolidated Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance

and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's responsibilities for the audit of the Consolidated Financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences

of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors of the Company as on March 31, 2022 taken on record by the Board of Directors of the Company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate Report in "Annexure A" which is based on the auditor's reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us :

- i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting M/s TRANSGENE BIOTEK LIMITED (hereinafter referred to as “Company”) and its subsidiary companies as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note :

Under Ind AS, certain financial assets and financial liabilities are measured at amortised cost which involves the application of effective interest method. The effective interest rate is the rate that discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of the financial asset or financial liability. The interest unwinding is charged through profit and loss in subsequent period.

Notes to the Consolidated Financial Statements for the Year ended 31st March, 2022.

1. Corporate information:

M/s. Transgene Biotek Limited ("The Holding Company") is a Public Limited Company. The Company is located in 69 & 70, Anrich Industrial Area, Bollaram, Sangareddy District, India and was incorporated on 1st March 1990 under the provisions of the Companies Act, 2013. The Holding Company and its Wholly Owned Subsidiary M/s. Transgene Biotek HK Limited, which is located in HongKong, and the company has new wholly owned subsidiary from FY 2021-22 named "PERORAL BIO PRIVATE LIMITED" are together known as (hereinafter) "the Company" or "the Group". The Company is in the business of Research & Development.

The operations in the Subsidiary (Transgene Biotek HK Limited) are being shut down for more than seven years (since financial year 2015-16) with no activities of any sort.

The consolidated financial statements were authorized for issue by the Company's Board of Directors on 30-05-2022

2. Significant accounting policies

Statement of Compliance

These financial statements are separate financial statements of the Group (also called consolidated financial statements). The Group has prepared financial statements for the year ended March 31, 2022 in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) together with the comparative period data as at and for the year ended March 31, 2021.

Basis of preparation:

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time).

The consolidated financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- i. Certain Non-Current & Current financial liabilities measured at amortized cost,

The Consolidated Financial Statements of the Group are presented in Indian Rupees (Rs.), which is also its functional currency.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The Company has consistently applied the following accounting policies to all periods presented in these financial statements.

Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Parent Company, and its subsidiaries as stated above. Control exists when the parent has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity.

Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns. Subsidiaries are consolidated from the date control commences until the date control ceases.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interest seven if this results in the non-controlling interests having a deficit balance.

The financial statements of the Group companies are consolidated on a line-by-line basis and intra-group balances, transactions including unrealised gain/ loss from such transactions and cash flows relating to transactions between members of the Group are eliminated upon consolidation. These financial statements are prepared by applying uniform accounting policies in use at the Group.

a. Current V/s. non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ noncurrent classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

b. Foreign currencies

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company's entities at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

c. Segment Reporting

The Company is currently operating only in one segment of Bulk Drugs, Segment Wise Reporting is not applicable as per IND AS 108.

d. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

i) Rendering of services

Revenue for the company is in the form of Research and Development services to external agencies which is recognised on formal acceptance by the agency which is in consistent with the above mentioned principle of revenue recognition.

e. Government grants

When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favourable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

f. Property, plant and equipment

Under the previous GAAP (Indian GAAP), Freehold land and buildings (property), other than investment property, were carried in the balance sheet on the basis of carrying value as per previous GAAP as on date of balance sheet. The Company has elected to regard those values of property as deemed cost.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

- Building 60 years
- Temporary Building 3 years
- Computers 3 years
- Plant and equipment 15 years
- Electrical Equipments 10 years
- Furniture 8 years
- Office Equipment 5 years
- Vehicles 8 years
- Lab equipment 10 years

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

g. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as finite i.e. for a period of 10 years.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

h. Research and Development Expenditure

Research and Development Expenditure Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.

i. Finance costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are expensed in the period in which they occur.

j. Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition is accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.
- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in, first out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

k. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes Cash on hand and other Balances with Banks in Current Accounts that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

l. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated. Bank overdrafts are classified as part of cash and cash equivalent, as they form an integral part of an entity's cash management.

m. Tax Expenses

In view of the current year loss and the losses accumulated in the previous years no liability on income tax is expected. As there is no certainty in utilizing the deferred tax asset, hence, the deferred tax asset has not been recognized in the books of accounts.

n. Employee benefits

i. Short-term employee benefit obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Post-employment benefits

Defined Contribution plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution

due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined benefit plan

The Company operates a defined benefit gratuity plan and Leave Encashment in India for which provision has been booked for the year ended 31st March, 2022.

The Company is not in practice of providing any other Defined Benefit Plan to the employees for the year ended 31st March, 2022.

o. Contributed equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown inequity as a deduction, net of tax, from the proceeds.

p. Earnings per share

i. Basic earnings per share

Basic earnings per share are calculated by dividing:

- The profit attributable to owners of the company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

ii. Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

q. Provisions

General

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The company has made 100% provision for the investment made in the Transgene Biotek HK Limited (Subsidiary) for Rs. 92,20,09,728/-. Further, 100% provision is made against payment made to M/s. Symetric Sciences Inc utilized out of GDR proceeds. This is without prejudice to the company's claim in this regard.

r. **Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the financial asset.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- i. The rights to receive cash flows from the asset have expired, or
- ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement? And either
 - the Company has transferred substantially all the risks and rewards of the asset, or
 - the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge

relationships as defined by Ind AS 109. Gains or losses on liabilities held for trading are recognised in the profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Reclassification of financial assets and liabilities

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets and financial liabilities. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

27. Contingent Liabilities:

- a. Contingent liabilities are not provided for in respect of

Particulars	2021-22	2020-21
(i) Customs duty demands disputed by the company	59,37,000	59,37,000
(ii) Claims against the company not acknowledged as debts	40,00,000	40,00,000

- a. Reference is made about the longstanding case at CESTAT, Chennai and the Honourable Member Ms. Sulekha Beevi C.S passed an order on 25th May 2017 stating that "the matter is stayed by the Hon'ble High Court of Madras. Both sides have not been able to submit when the matters are likely to be disposed by the Hon'ble High Court. Viewed in this light, we are of the considered opinion that it would be appropriate and prudent to close the file for the purpose of statistics. Both sides are at liberty to file application before the Tribunal to reopen the matter as and when the case is disposed by the Hon'ble High Court or in the case of change of circumstances." In view of the above order, no provision has been made in the current balance sheet but the management shall keep a cautious eye on the potential developments, if any and will act as per the requirements.
- b. During the year 2014-15 one of the employees of the Company sustained severe burns in a fire incident in the Company. The Company helped him financially for hospitalization and treatment after which he was discharged from the hospital. However, after the discharge, for

some unknown reasons he contracted infection and died while being treated for that. His family approached Labour Court claiming an unspecified amount for his death from the Company. The management has been defending the claim hence, no amount is provided for in books of account for the same as the Company is not sure of the liability.

- c. During the year 2016-17 the Company had received notice u/s 263 from the Principal Commissioner of the Income Tax for the Assessment year 2012-13 for which the company has filed its arguments. The case has been set aside by the Commissioner and a fresh notice has been served by the department on this regard for which an appeal filed by the company at Income Tax Appellate Tribunal relating to a claim for a tax amount of Rs.5,97,00,943/- towards assessment year 2012-13 raised in 2014-15 wherein it was shown Forex gain being brought erroneously under income and profit, an order was passed on 24th August 2021 giving relief from the said IT demand for the AY 2012-13.

d. The Department of Biotechnology has sanctioned a loan amount of Rs.4.07 Crores under Small Business Innovative Research Initiative (SBIRI) scheme currently called as BIRAC for the novel technology Upgradation for Orlistat production, for which a charge against movable and immovable assets acquired from utilization of the said loan amount has been created. An amount of Rs.30,06,135/- is demanded by SIBRI towards interest for which a provision has been made. However, the company has made a settlement offer to BIRAC. On a condition that such offer upon acceptance an offer of Rs. 20 Lakhs made, which was encashed during the financial year. However company is yet to receive any written acceptance towards their proposal.

34. Standards issued and effective from 01st April,2018

IND AS 115, Revenue from contracts with customers

In March 2018, the Ministry of Corporate Affairs has notified Ind AS 115, 'Revenue from Contracts with Customers', which effective for accounting is periods beginning on or after 1 April 2018. This comprehensive new standard will supersede existing revenue recognition guidance, and requires an entity to recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The new standard also will result in enhanced disclosures about revenue, provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements

Ind AS 115 is effective for annual reporting periods beginning on or after April 1, 2018.

The Company intends to adopt Ind AS 115 effective April 1, 2018, using the modified retrospective method. The adoption of Ind AS 115 is not expected to have a significant impact on the Company's recognition of revenues

35. Other Amendments to Indian Accounting Standards:

The Ministry of Corporate Affairs (MCA), on 28 March 2018, issued certain amendments to Ind AS. The amendments relate to the following standards:

Ind AS 21, The Effects of Changes in Foreign Exchange Rates - The amendment lays down the principle regarding advance payment or receipt of consideration denominated or priced in foreign currency and recognition of non-monetary prepayment asset or deferred income liability.

Ind AS 12, Income Taxes - The amendment explains that determining temporary differences and estimating probable future taxable profit against which deductible temporary differences are assessed for utilization are two separate steps and the carrying amount of an asset is relevant only to determining temporary differences.

Ind AS 28, Investments in Associates and Joint Ventures - The amendment clarifies when a venture capital, mutual fund, unit trust or similar entities elect to initially recognize the investments in associates and joint ventures.

Ind AS 112, Disclosure of Interests in Other Entities - The amendment clarifies that disclosure requirements for interests in other entities also apply to interests that are classified as Held for sale or discontinued operations in accordance with Ind AS 105.

Ind AS 40, Investment Property - The amendment clarifies when a property should be transferred to / from investment property. The amendments are effective 1 April 2018. The Company believes that the aforementioned amendments will not materially impact the financial position, performance or the cash flows of the Company

36. Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

The areas involving critical estimates or judgements are:

- Estimated useful life of intangible asset.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

37. Financial Instruments

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (Unobservable inputs).
